Designer Tape: *Pickle Juice Dot* (Item #298).

Directions:

1. Lightly mist (optional) top left & bottom right corners of **Quadrants** (graph backside) paper, and use as layout base.
2. Trim **Play Date** (pink wood grain backside) paper to 1x12", punch along length using border punch, & adhere across top of **Quadrants** paper.
3. Print (6) 2x3" photos, leaving a white border around all. Using finger, swipe a dab of pink paint around edges of photos (optional). Let dry & adhere to layout.
4. Trim 1.5x12" strip from **Happy Clouds** (aqua chevron backside) & **Popsicle Kisses** (orange dot backside) paper, & 1.75x12" strips from **Juicy Good Time** (striped backside), **Petal Power** (green leaf backside), & **Popsicle Kisses** papers. Use border punch along the length of each strip (on one side only).
5. Using a scoring board, score each strip of patterned paper at ½" intervals, going down the length of each strip. Accordion fold each strip, adhering two ends together, & then forming into a flower shape, making sure punched edge is on the outside. Adhere each to a scrap of cardstock, to hold the flower together.
6. To the center of each pleated flower, add a chipboard circle piece, or circle sticker. Then adhere flowers to bottom of layout, overlapping as needed.
7. Tear pieces of **Pickle Juice Dot Designer Tape**, and fold over the sides of "On A Summer Afternoon" sticker & your 2 journaling blocks, then staple. Adhere all three items to layout, using dimensional adhesive.
8. Use **Saltwater Chipboard Simply Simona Alphabets** to create title.
