greetings CRAFTY FRIENDS & FANS

Hello friends! What a release we have for you this summer; six new paper collections full of sports and adorable home and holiday characters!

Baseball, Basketball, Football and Soccer are full of grass and mud for both players and fans to document their athletic accomplishments and milestones! Mix and match b-side patterns across all collections for an even larger offering. Mind your Manners is home and family inspired, featuring cool grays and navy blues that I'm so excited about! Your favorite family photos around your cozy house will be a perfect fit for this collection. And last but not least, Santa Stops Here is this season's Christmas collection. The traditional Christmas color palette with happy characters will warm your heart this winter and have you jumping for joy on Christmas morning! The new felt pennants and colored acrylic words are just delicious for embellishing pages, cards and crafts too! Finally, I'm so excited about our new Freestanding Album kits that offer a way to display your album on a coffee table, at a party, or just at your desktop! These albums make your artwork inviting for people to come up and take a look, and are easy to fold flat for storage to put away. What excites me the most is they mix and match with all of our 6x8" paper pads and Daily Details papers, too! I hope you enjoy this release as much as the team and I have developing and designing them for you!

Creatively Yours,

Owner & Creative Director of Bella Blvd, Educator & Traveler

Hi friends! I'm so excited about these new releases! Faith>Fear is the perfect collection for everyday with beautiful lettering from contributor Amanda Arneill! Use this gorgeous black and white line as-is, or add your own touch of color! Gratitude Documented allows you to record family gatherings and the beauty of fall while focusing on praise and thankfulness. Use the album kit to do this daily for the entire month of November! And finally, this Christmas season let's focus on LOVE, JOY, and PEACE as we celebrate the birth of Christ! Grab a cup of hot cocoa, your Bible and snuggle up for a lovely collection celebrating the Advent season. Also, for the first time ever, we've gathered all the elements you need to focus on Bible journaling by curating Bible Journaling Kits, one for each collection. They make perfect gifts for yourself or someone you love!

God is love  
And he said to them, "Do you not understand this parable? The sower sows the word. The seed is sown: when they hear, Satan immediately takes away the word that is sown in them. And these are the ones who, when they hear the word, immediately receive it with joy. And they have no root in themselves, but endure for a while; then, when tribulation or persecution arises on account of the word, immediately they fall away. And others are sown among thorns. These are those who hear the word, but the cares of the world and the deceitfulness of riches and the desires for other things enter in and choke the word, and it proves unfruitful, as those that were sown on the good soil. And he said to them, "The kingdom of God is as if a man should sow seed. He sleeps and rises night and day, and the seed sprouts and grows, though he does not know how. The earth produces by itself, first the blade, then the ear, then the full grain in the ear. But when the grain is ripe, at once he begins to harvest, for the harvest comes."

Love > Fear  
The Parable of the Seed Growing  
And he said, "The kingdom of God is as if a man should sow seed. He sleeps and rises night and day, and the seed sprouts and grows, though he does not know how. The earth produces by itself, first the blade, then the ear, then the full grain in the ear. But when the grain is ripe, at once he begins to harvest, for the harvest comes."

The Parable of the Mustard Seed  
And he said, "With what can we compare the kingdom of God? It is like a grain of mustard seed, the smallest of all the seeds on earth. Yet it grows larger than all the garden plants and puts forth large branches, so that the birds of the air can make nests in its shade. And he said to them, "The kingdom of God is as if a man should sow seed. He sleeps and rises night and day, and the seed sprouts and grows, though he does not know how. The earth produces by itself, first the blade, then the ear, then the full grain in the ear. But when the grain is ripe, at once he begins to harvest, for the harvest comes."
